VISION

Our mission is to design and build luxurious catamarans that seamlessly blend home comfort, unparalleled space, and superior performance, making every journey feel like home. We aspire to become a leading producer of high-value yachts, renowned for delivering luxurious experiences and unmatched build quality. By integrating the latest innovations in eco-friendly materials, resource management, propulsion, and digital automation, we create yachts that offer timeless aesthetics, modern design, and an emotionally fulfilling yachting experience.

A woman with long dark hair, wearing sunglasses and a white long-sleeved shirt with a striped halter, is steering a white catamaran. The boat is on the water, and the background shows a sunset over a distant shoreline with hills and buildings. The interior of the boat, including the steering wheel and dashboard, is visible in the foreground.

 OMA YA 50

Experience unparalleled comfort, autonomy, and year-round cruising with the Omayya 50

The OMAYA 50 is a 50-foot luxury catamaran with a sleek, contemporary design that offers exceptional onboard living. Its standout feature is an industry-leading 8.4-meter beam, which provides expansive space throughout the yacht, including the lower deck, cabins, and a generously sized saloon. This spaciousness ensures that families and guests enjoy a home-like atmosphere with a fully equipped galley, ample seating, both indoors and outdoors, and even dedicated space for crew members. The OMAYA 50 delivers comfort, style, and functionality in every detail.

OMA YA 50

The extraordinary flybridge on the OMA YA 50 offers exceptional functionality and comfort. It features a spacious seating area with versatile high/low tables that can be used as coffee tables or dining place, accommodating up to 12 people. The flybridge also includes large sunbeds with ample storage beneath, a wet bar with a fridge, icemaker or wine cooler, grill, and a sink. Additionally, the helm station is equipped with the latest navigation systems and offers seating for two, making this area perfect for both relaxation and navigation.

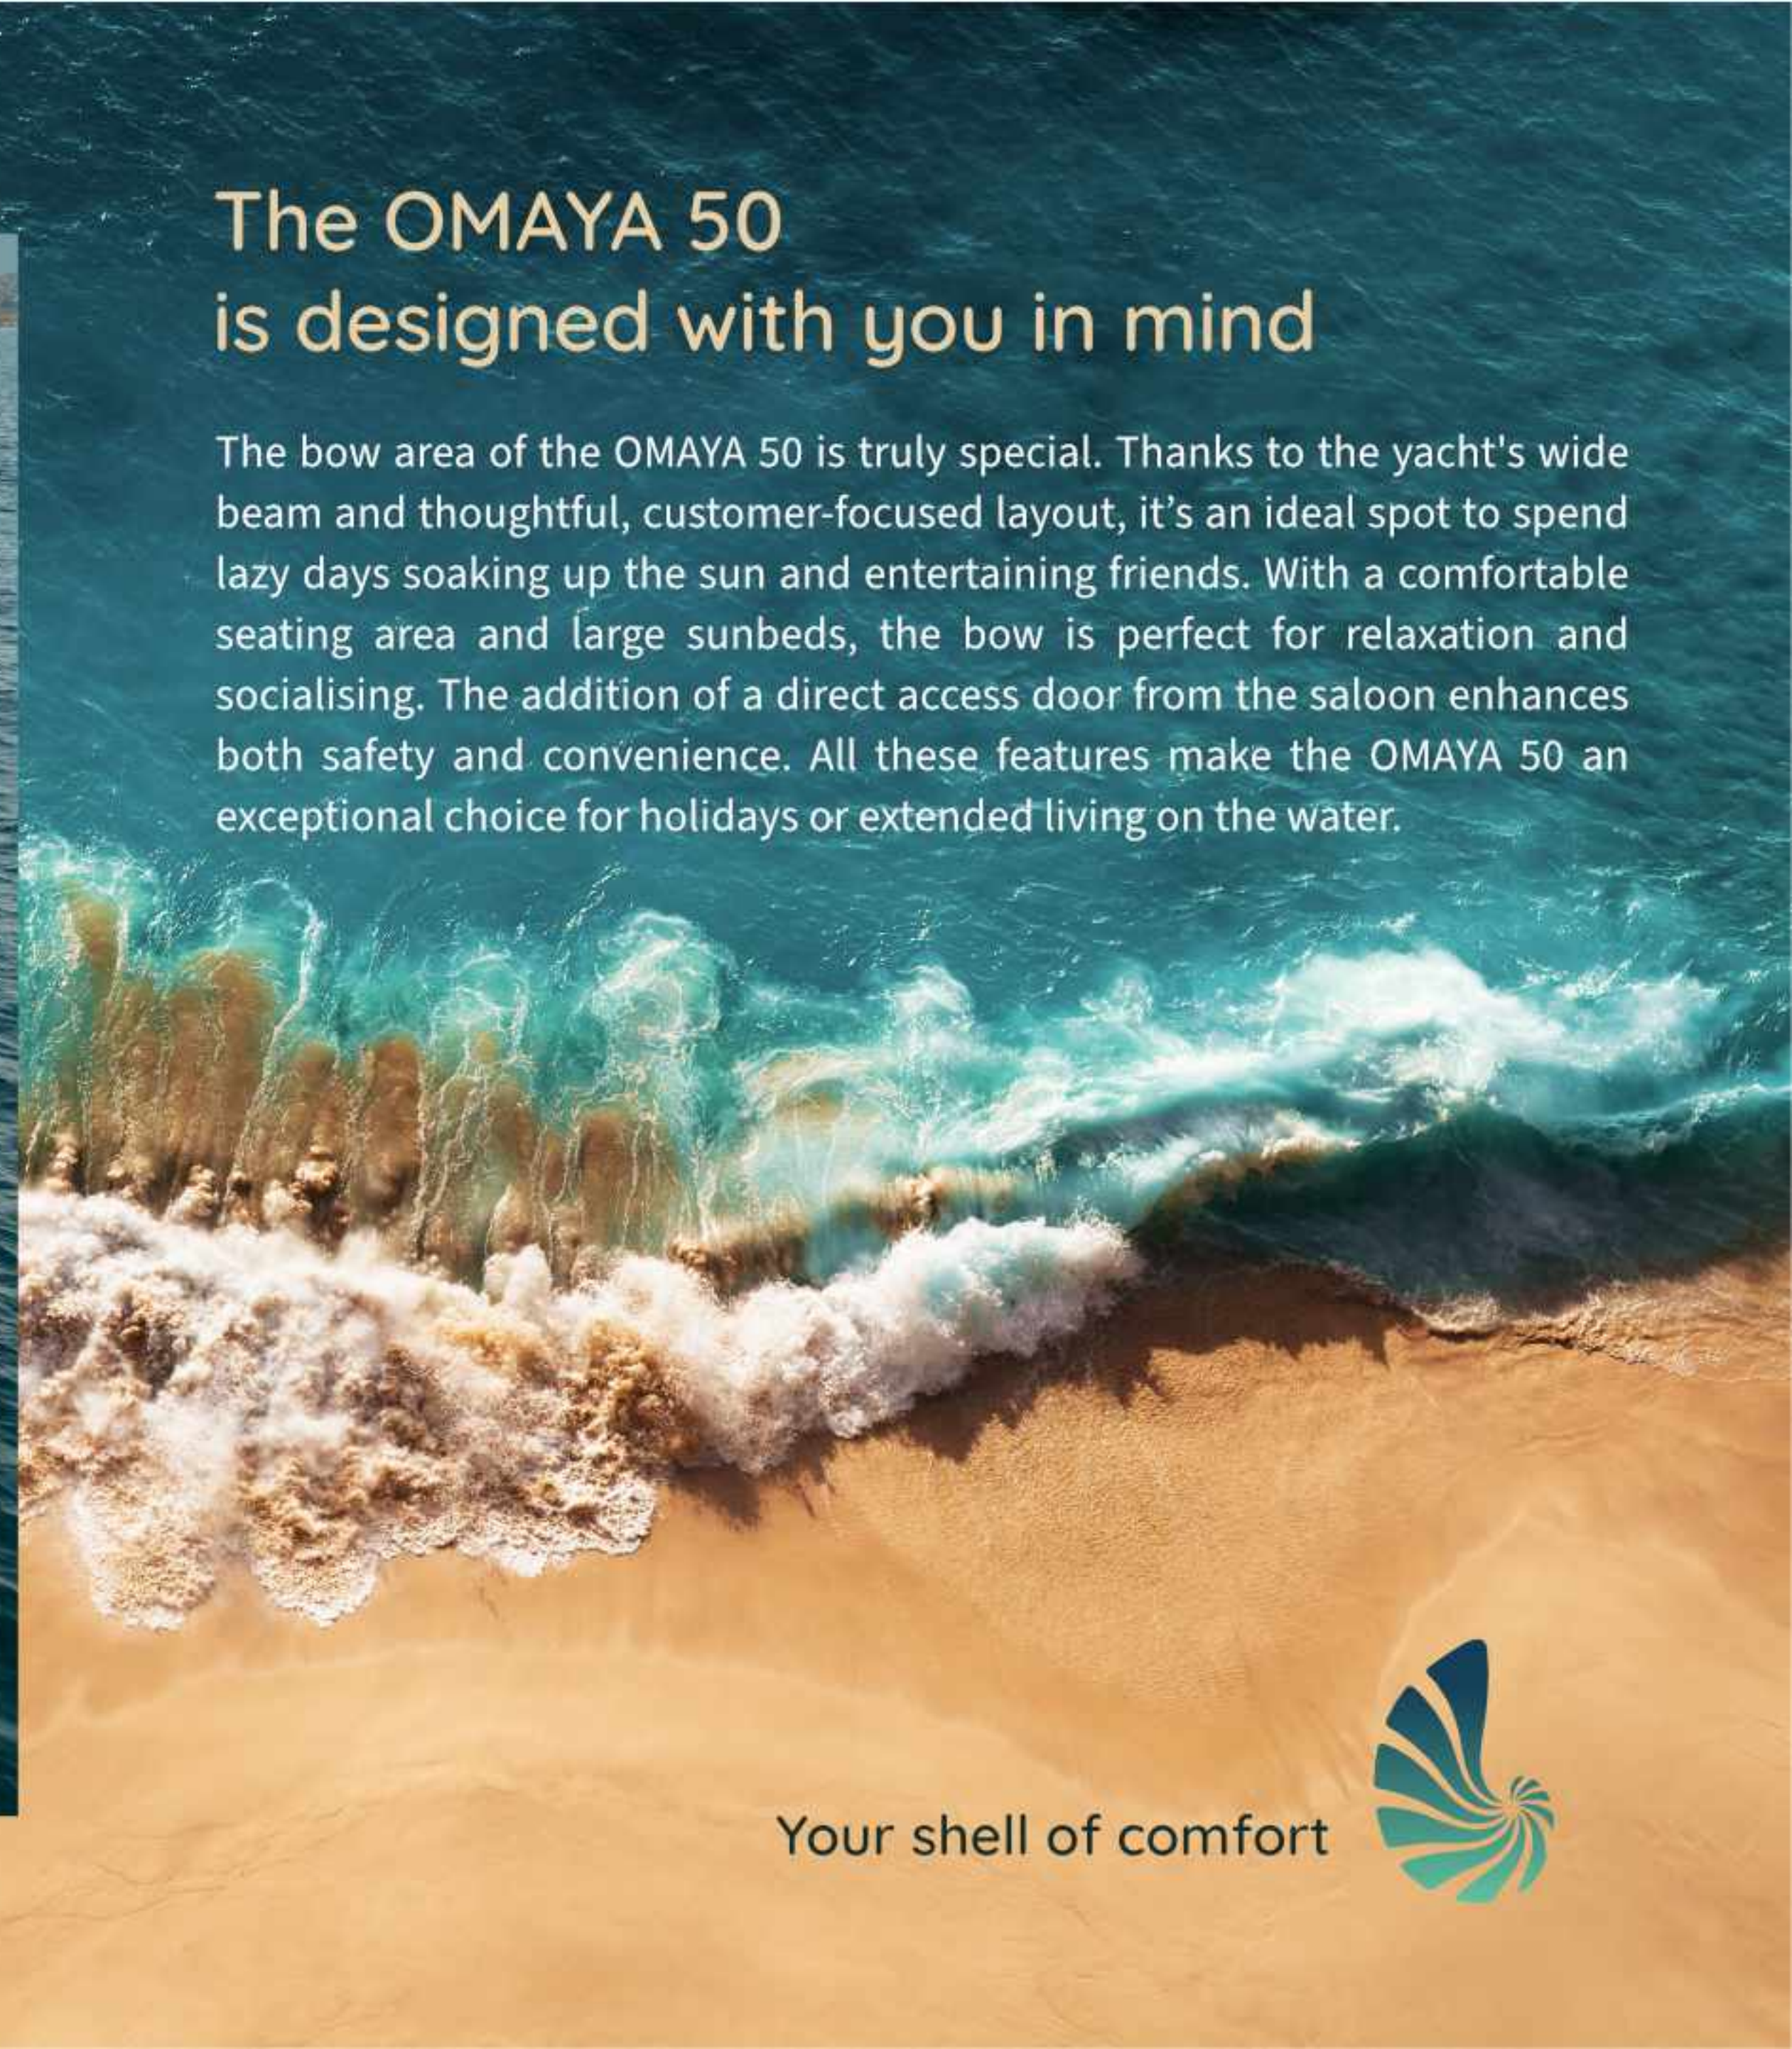

FLY BRIDGE

The OMAVA 50 is designed with you in mind

The bow area of the OMAVA 50 is truly special. Thanks to the yacht's wide beam and thoughtful, customer-focused layout, it's an ideal spot to spend lazy days soaking up the sun and entertaining friends. With a comfortable seating area and large sunbeds, the bow is perfect for relaxation and socialising. The addition of a direct access door from the saloon enhances both safety and convenience. All these features make the OMAVA 50 an exceptional choice for holidays or extended living on the water.

Your shell of comfort

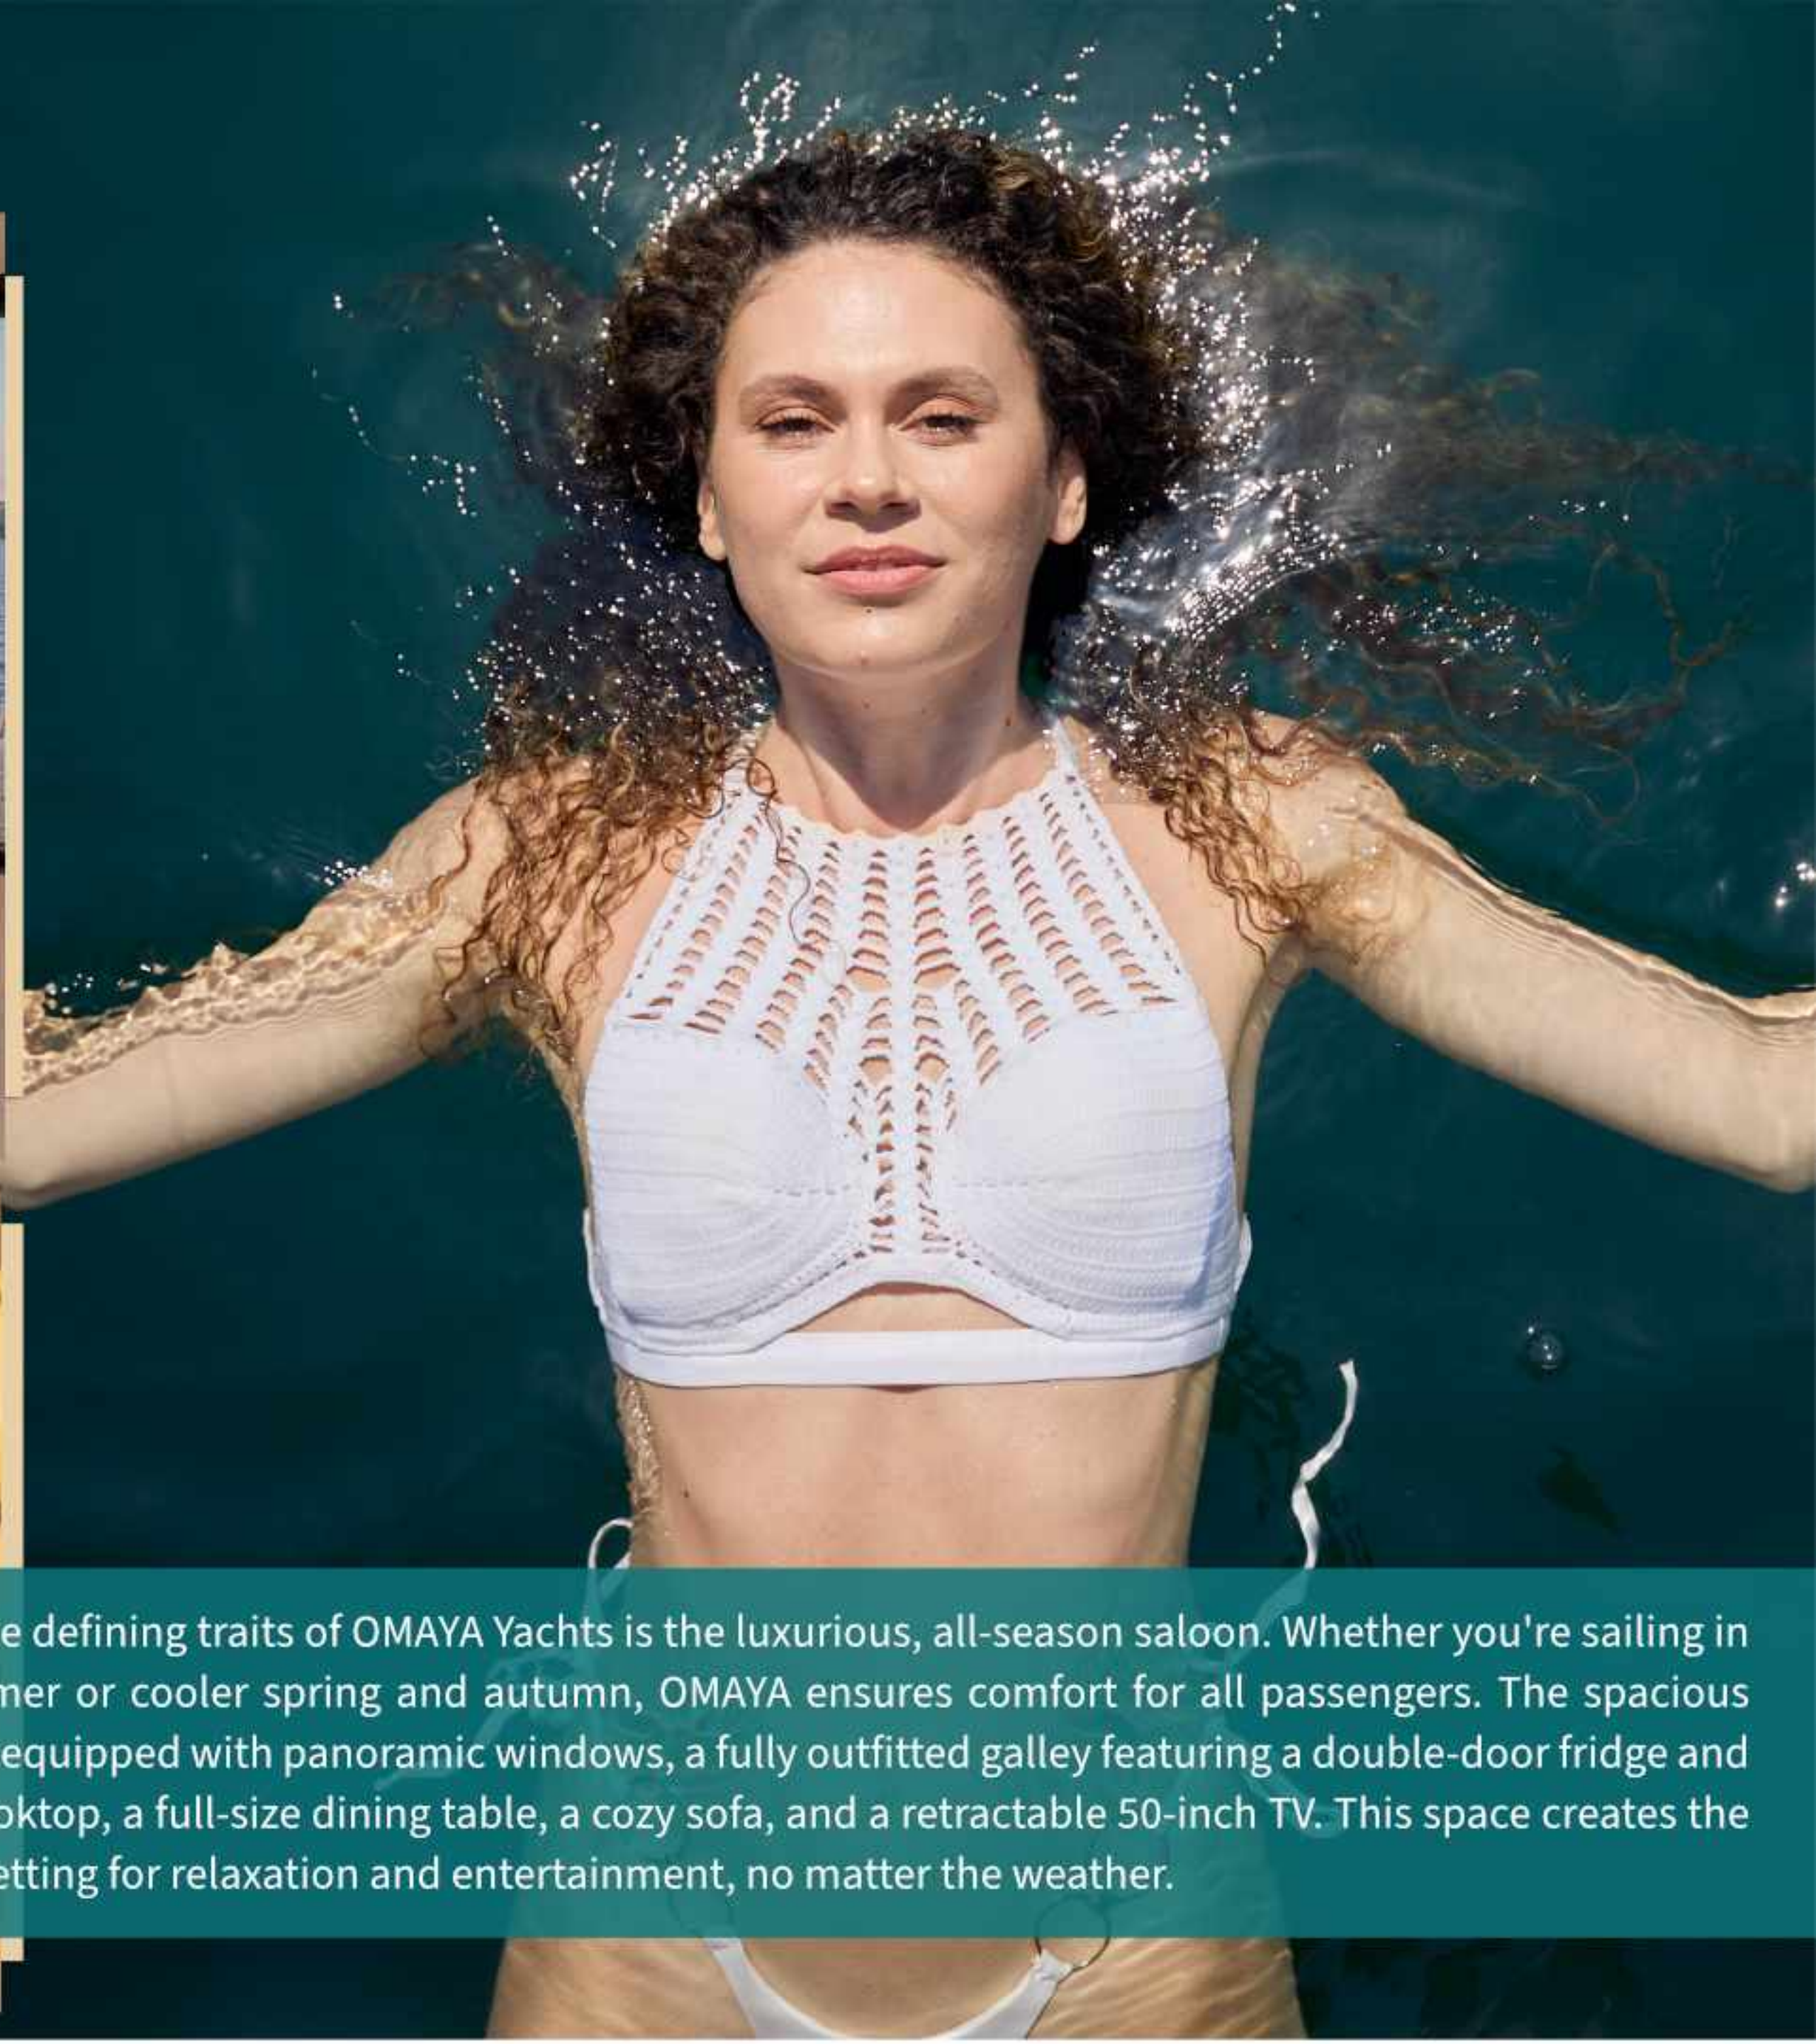

The OMAYA 50 is the result of years of dedicated development, designed to meet modern needs with a perfect balance of comfort and safety. It's more than just a yacht; it becomes your home, piercing through the waves, allowing you to embark on long-term escapes and explore the world in a way you never have before. With the OMAYA 50, every journey is an invitation to adventures and create new memories.

One of the defining traits of OMAA Yachts is the luxurious, all-season saloon. Whether you're sailing in hot summer or cooler spring and autumn, OMAA ensures comfort for all passengers. The spacious saloon is equipped with panoramic windows, a fully outfitted galley featuring a double-door fridge and 4-hob cooktop, a full-size dining table, a cozy sofa, and a retractable 50-inch TV. This space creates the perfect setting for relaxation and entertainment, no matter the weather.

OUTDOOR COCKPIT

The aft cockpit of the OMAYA 50 is an ideal spot for enjoying a leisurely brunch with stunning infinity ocean views. It features ample storage for tables with sturdy removable legs and foldable chairs. The versatile high-low hydraulic platform extends the deck area or provides easy access to the water, making this space perfect for all-day fun and games at sea. This design ensures the cockpit is both practical and enjoyable, enhancing your overall yachting experience.

SALOON

The dining area features a versatile high/low table that comfortably seats ten guests. Expansive glass doors span the entire width of the saloon, creating an open and inviting atmosphere and offering stunning ocean views.

 Omayya 50

DINING AREA

The dining area with high/low table can seat 10 guests in comfort while enjoying incredible views of the ocean through the large glass doors that extend the entire width.

MASTER CABIN

MASTER BATHROOM

OMayA 50

The OMayA 50 features a spacious lower deck with two layout options. The owner's version includes a large master cabin occupying the entire port side, complete with a double bed, sofa, desk, vanity area, integrated wardrobe, and a luxurious ensuite. On the starboard side are two additional double guest cabins, each with ensuite bathrooms and integrated wardrobe space. An additional crew cabin is located in the starboard forward peak, while a crew bathroom can be found in the port forward area, ensuring convenience and privacy for the crew on board.

OMA YA 50

The charter version of the OMA YA 50 offers four double guest cabins, each with ensuite bathrooms. These cabins, located on both the port and starboard sides, are luxuriously appointed with spacious beds, integrated wardrobe space, and ambient lighting. To ensure a best-in-class charter experience, the OMA YA 50 can be equipped with accommodations for two crew members, with their cabins conveniently located in the forward peaks on both the port and starboard sides.
