

CARBON DAY CRUISER

Anvera 48

14.5 METRES · DAY CHARTER · PUERTO BANÚS

A full-carbon day cruiser built for speed, light and quick across the water, with foldable terraces that open the deck to the sea.

Anvera build in carbon for a hull that is lighter, stronger and more responsive than anything of its size, and it shows the moment she is under way. A day aboard runs from the Marbella coast to the beach clubs, with time to swim, watch for dolphins and run the toys, and the range to push on to Sotogrande when the weather is right.

11

guests aboard, a skipper at the helm, and one cabin with a bathroom below.

LENGTH	BEAM	GUESTS	CABIN
14.5 m (48')	4.91 m (5.51 open)	11	1 en-suite
ENGINES	HULL	TERRACES	BASE
2 × 375 hp	Full carbon	Foldable	Puerto Banús

ON BOARD

Performance in Style

THE DAY

A scenic run along Marbella's coast with the chance to spot dolphins, swim in clear water and play with the toys, then a stop at a beach club for lunch by the sea. When the weather allows, the day can extend down the coast to Sotogrande.

ON BOARD

Drinks, beers and snacks throughout, with two bottles of champagne or wine on a half day and four on a full day. A skipper runs the boat, and fuel at cruising speed and Puerto Banús port fees are included.

TOYS

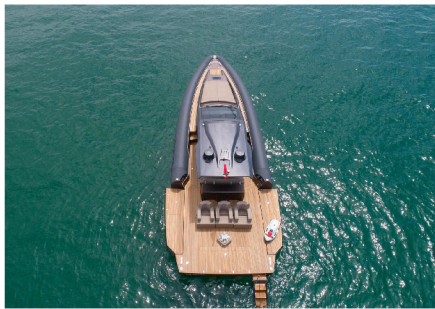

A Seabob is included, one on a half day and two on a full day, with an e-Foil available on request and further Seabobs by arrangement.

SOUND & SPACE

An onboard sound system, foldable terraces that widen the deck at anchor, and a cabin with a bathroom below.
